Total Orthopedic Care for You

Come to our office before you go to the emergency room.

Performing Surgery for your Convenience at:

- Titusville Area Hospital
- Grove City Hospital
- Surgery and Laser Center
(Cranberry)
- Clarion Hospital

Fracture? Call us first.

Specializing in:

***Oxford Partial Knee Replacement
 MRI Guided - Signature Personalized Total Knee
 Replacement. Built especially for your knee.***

You may not need a total knee replacement. Many patients only need a partial knee replacement.

- Less extensive surgery
 - Quicker recovery
 - Shorter hospital stay, many times just overnight.
- Let our qualified team evaluate your injury.*

Plus all your orthopedic needs

- Sports Medicine: Knee/Shoulder
- Arthroscopic Surgery: Knee/Shoulder/Ankle
- Carpal Tunnel Syndrome
- Rotator Cuff/Impingement Syndrome
